Artline

DRAWING SYSTEM

Drawing System Pens

Perfect for drafting, illustrating, and graphic design.

Friction-proof nib enables you to draw with a consistent writing width. Metal reinforced collar nib is suitable for ruler and template work without causing nib damage. Pens are lightweight and comfortable to use. High-quality acid and xylene-free water-based pigment ink are both highly water-resistant and fade-proof to ensure your drawings last.

Large selection of nine line widths, available individually and in 4-pack and 6-pack sets. AP certified.

Artline

Metallic
Ink Markers

Metallic Ink Markers

Artline metallic ink paint markers are suitable for marking on most surfaces. Ideal for use in construction, factories, schools, and for art and crafts. Completely opaque even on dark or transparent surfaces. The color will remain crisp over a long period of time. Water and fade-resistant, xylene free with valve action and rugged aluminum barrel. Recommended use: glass, porcelain, wood, crates, metal, rubber, and plastic.

Available in gold and silver.

Artline Permanent Paint Markers

Paint Markers

Artline paint markers are suitable for marking on most surfaces. Perfect for use in construction, factories, schools, mural painting and art-craft projects, and many other tasks. Ideal for use both indoors and outdoors. These markers are rugged enough to mark on stone, rubber, and wood, yet gentle enough to be used on polystyrene foam. The quick dry, water and fade-resistant ink are completely opaque, even on dark or transparent surfaces. Available in 11 colors.

Artline Markers For Fabric

Marker for Fabric

Our Artline 1.2mm bullet tip marker for fabric is ideal for permanent marking on dark-colored fabrics. The aluminum barrel and bullet tip deliver the fast-drying liquid ink exactly where you want it, thanks to the accurate valve action. The ink is engineered to be highly water and fade-resistant to hold up to numerous washings. Recommended uses: dark-colored clothing, colored shirts, socks, canvas, and linen.

Artline Poster Markers

Poster Markers

Artline poster markers show off your artistic skills; great for creating bold, colorful art and lettering on paper products, metal, plastic, glass, wood, rubber, and stone. These poster markers deliver a highly opaque pigment ink with superior water and fade-resistant performance. Allows over-painting without bleed-through. Easily washes off non-porous surfaces.

Liquid ink is xylene-free and acid-free. AP certified. Available in 19 colors.
