VIGNETTES VISUELLES \$69.99 CDN/US

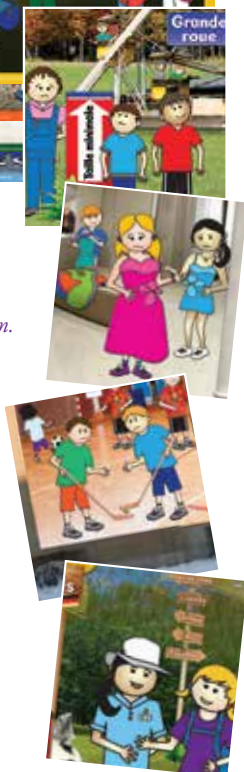

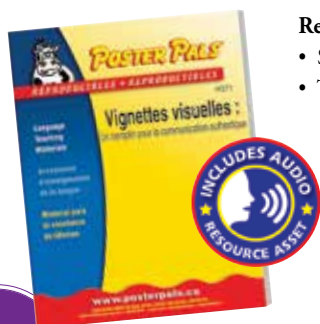

4 very large full-colour murals (32" x 60") • Reproducible Guide
for guided lessons, imbedded with visual scenarios of the basic interactions of the curriculum.

Colourful, language-rich visuals connect the "I can" skills of the oral communications curriculum to teaching strategies and cooperative practice. Humour and role-play lead to student-generated conversation.

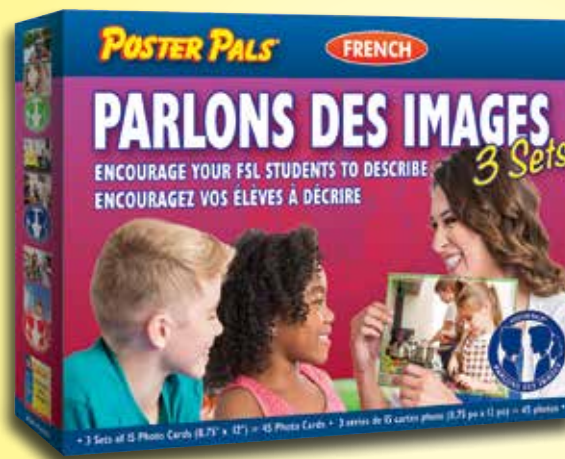

Clarifies the task of the teacher by linking the oral communication skills, phrases, vocabulary and grammar required by the CEFR A-1 and provincial curricula to teaching strategies and engaging resources.

Reproducible Guide containing:

- Scene posters in reproducible size for student reference
- Teaching strategies that scaffold the visual content to required student interaction skills
 - Cooperative practice strategies
 - Sample conversations depicted in the scenes with comprehension activities
 - Scenarios for generating additional interactions and extensions
 - Evaluation materials and checklists

Encourage students to DESCRIBE. Introduce new vocabulary and expressions in visual contexts. Foster the 4 language skills of beginners' FSL curriculum with images chosen for content including a variety of people, familiar situations and activities. Practice basic Q&A leading to independent interaction skills. For initial teaching, for review, and for evaluation.
